Short synopsis

Long synopsis

Radu, son of gypsies is the only one that has left the gypsy village. The village, named Dallas, consists of shacks and is built near a garbage dump, the source of income for the completely wretched and illiterate inhabitants. A teacher now, he returns after many years to attend the funeral of his father. Gradually he gets assimilated again and gets involved with his former love and neighbor Oana. However, Oanas husband, a despicable character, who has been chased out of the village due to the way he treated his wife, comes to take revenge. During the brawl, Oanda gets killed and thus Radu finally leaves the village to return to his former life.
