

Film title

Story of Film, The: An Odyssey 14/15

Tagline

Short synopsis

Long synopsis

This is the story of the brilliant, flashy, playful movies in the English speaking world in the 90s. We look at what was new in Tarantino's dialogue and the edge of the Coen brothers. The writer of Starship Troopers and Robocop talks exclusively about their irony. In Australia, Baz Luhrmann talks about Romeo + Juliet and Moulin Rouge and we plunge into the digital world to see how it has changed the movies forever.

Technical information and credits
