

**Film title**

A Story of Children and Film

**Tagline**

"In small things you can see many things. Open your eyes."

**Short synopsis****Long synopsis**

A Story of Children and Film is a personal and poetic essay by Mark Cousins which explores what cinema tells us about childhood, and what childhood tells us about cinema, by reference to movies from all around the world. It's the world's first movie about kids in global cinema and an eye opener, a landmark film and a celebration of both childhood and the movies.
