Short synopsis

Long synopsis

December 1942, Sweden is on the verge of being invaded. Two young soldiers leave their roadblock post to get to the Norwegian border to catch a glimpse of the occupying Nazis. Their adventure ends in a disaster, and the day after, Lieutenant Stenström finds out that one of the missing soldiers is his brother. Now he has to lead a rescue team behind enemy lines in a secret mission to retrieve his brother. Deep in the dark Norwegian woods Stenström realizes that completely other borders need to be crossed if they are to get out of there alive...
