Short synopsis

Long synopsis

In the early 80's began the Norwegian Oil Boom. Enormous oil and gas deposits provided endless possibilities and wealth, and authorities aimed to bring them ashore through a pipeline 500 meters deep. Petter, a professional diver, along with his brother Knut, has the discipline, strength and courage to take on the world's most dangerous mission. But a sudden, tragic accident changes everything. Petter is sent on a perilous journey where he loses sight of who is pulling the strings. Gradually, he realizes that he is in way over his head and that his life is at stake.
