Short synopsis

Long synopsis

Schneider, a hit man, gets a call from Mertens on the morning of his birthday. He has a last-minute assignment for Schneider who refuses it, because it is his birthday and he has promised Lucy, his wife, to help her with the preparations for the dinner party. Mertens insists that it is an important matter. When they meet in Mertens' office, Schneider is told that the target is Ramon Bax, a writer. He lives alone in a secluded place. "It's an easy job. With a little luck you're back home before noon." Schneider accepts the assignment. What was promised to be a simple hit turns out to be more than expected.
