Short synopsis

Steven, a charismatic surgeon, is forced to make an unthinkable sacrifice after his life starts to fall apart, when the behavior of a teenage boy he has taken under his wing turns sinister.

Long synopsis

Dr. Steven Murphy is a renowned cardiovascular surgeon presiding over a spotless household with his ophthalmologist wife Anna and their two exemplary children, 12-year-old Bob and 14-year-old Kim. Lurking at the margins of his idyllic suburban existence is Martin, a fatherless teen who Steven has covertly taken under his wing. As Martin begins insinuating himself into the family's life in ever-more unsettling displays, the full scope of his intent becomes menacingly clear when he confronts Steven with a longforgotten transgression that will shatter the Murphy family's domestic bliss.
