

**Film title**

Little Joe

Tagline

Happiness is a business

Short synopsis

A genetically engineered plant scatters its seeds and seems to cause uncanny changes on living creatures.

Long synopsis

Alice, a single mother, is a dedicated senior plant breeder at a corporation engaged in developing new species. She has engineered a very special crimson ower, remarkable not only for its beauty but also for its therapeutic value: if kept at the ideal temperature, fed properly and spoken to regularly, this plant makes its owner happy. Against company policy, Alice takes one home as a gift for her teenage son, Joe. They christen it 'Little Joe' but as it grows, so too does Alice's suspicion that her new creations may not be as harmless as their nickname suggests.
