Love is sticky

Short synopsis

Astronaut, forest-keeper, cartoonist. Young Rakel has a whole lot of other plans than becoming a mother. She would rather party, get drunk or stoned instead of sitting hours on the toilet. But she can't ignore it. Is it her or the baby?

Long synopsis

When Rakel (23), way too late, finds out she's six months pregnant after a not-so-romantic one-night stand, her world changes. Her boyfriend, who's not the father, is kind of ok with her having a baby. But Rakel is absolutely not ready to be a mother. Since abortion is no longer an option, adoption is the only answer. That's when Ninjababy, an animated character who insists on making Rakel's everyday life a living hell, turns up. He climbs out from her note book, jumps into her tea cup, and keeps reminding her what a terrible person she is.
