Short synopsis

The true story of teenage football talent Martin Bengtsson's life-and-death journey through a modern-day football industry where everything, and everyone, has a price tag.

Long synopsis

Martin is one of the most promising football talents Sweden has ever seen. At sixteen, his lifelong dream comes true when he is bought by one of Italy's most prestigious clubs. Yet that dream comes at a very high price in terms of sacrifice, dedication, pressure and - most of all - loneliness. Martin begins to question whether this is actually the life he yearned for. Tigers is a life and death rollercoaster ride through the modern-day football industry.
