

Film title

One Day All This Will Be Yours

Tagline

Short synopsis

Quirky, feel-good dramedy about a young woman returning home to her family which soon falls apart due to a conflict over inheritance.

Long synopsis

Combining offbeat personalities with heartfelt Scandinavian sentiment, Andreas Öhman's second feature One Day All This Will Be Yours is a feel-good dramedy about dysfunctional family dynamics and facing the past. Successful cartoonist Lisa and her siblings reunite at their parents' farm in Norrland, Sweden for the first time in over ten years. A stark contrast to the bustle of her adopted Stockholm, the family farm is the down-to-earth rural Swedish north. When their parents announce that only one of their children will inherit the forested land, which has been in the family's possession for generations, the siblings are faced with a dilemma. Who is willing to move back home again in order to claim the inheritance? But things that are buried in their past are bound to complicate matters and, for Lisa, the visit brings past trauma bubbling to the surface. Featuring characters both live and animated, One Day All This Will Be Yours achieves a beautiful balance between laughter and drama - an offbeat and fun tale of growing up and coming home.
