Long synopsis

Alexandra is a 23-year-old student from Krsko, a small town in Slovenia, who studies the English language in Ljubiana, the capital city of Slovenia. She seems rather uninspired at learning and way more willing to raise money for a better living. Nobody knows that Alexandra runs personal ads under the nickname "The Slovenian Girl" and that prostitution is her secret source of income. "Slovenka" soon becomes quite famous in the tabloids, which makes it even harder for Alexandra to keep lying to her friends and especially to her warmhearted and sincere Dad. Telling the truth would mean to lose everything. Moreover an accidental death has her wrestling with new feelings of fear, loneliness, confusion and responsibility.
