

Film title

Love Island

Tagline

Short synopsis

Long synopsis

Grebo and his very pregnant wife Liliane are taking a well-deserved vacation at a popular Adriatic seaside resort. All inclusive! All the sun, swimming and fun that their hearts desire. What could possibly go wrong on such an idyllic holiday? At open-mike night, Grebo seduces the resort crowd and reminds his loving French wife of the Sarajevo rocker she fell in love with. But the evening's big surprise is the young couple's meeting with mysterious Flora. The charismatic young woman will soon put their young marriage to the test. Past secrets cannot stay hidden for long on Love Island. Summer fun at a seaside resort and a bold look at modern relationships from Jasmila Žbanić, director of Grbavica (2006 Berlinale Golden Bear), On ThePath (Na Putu) and For Those Who Can Tell No Tales.
