Long synopsis

1981: One year before her death, famous actress Romy Schneider retreats to a spa hotel in the town of Quiberon, Brittany. Visited by her close friend Hilde, who has come to offer the support she needs to fight her own demons. But it is more than just the reunion of two old friends. When two journalists from the STERN arrive to conduct an interview, Hilde tries to shield her friend from their invasive interrogation tactics. For three days and nights, the interaction between the quartet ranges from sensitivity to brutal manipulation, an emotional roller coaster ride, by the end of which Romy seems more vulnerable than ever. Yet perhaps she has rediscovered her zest for life and the inner strength to carry on.
