**Short synopsis**

Three people, overtaken by new technologies, resolve to fight back against the Big Tech companies. Maybe they're screwed from the beginning - but you never know...

**Long synopsis**

In a provincial suburb, three neighbours are overtaken by new technologies and social media. There's Marie, who could be about to lose the respect of her son because of a sex tape; Bertrand's daughter, a victim of on online bullying; and Christine whose Uber ratings are refusing to take off. With the help of a genuine hacker, they resolve to fight the mighty windmills of contemporary living - the Big Tech companies. Maybe their battle is screwed from the beginning - but you never know...
