Riders of Justice

Tagline

Coincidence? We don't think so.

Short synopsis

Riders of Justice follows recently-deployed Markus, who is forced to return home to care for his teenage daughter after his wife is killed in a tragic train accident.

Long synopsis

The deployed military man Markus has to go home to his teenage daughter, Mathilde, when his wife dies in a tragic train accident. It seems to be plain bad luck - until the mathematics geek Otto shows up with his two eccentric colleagues, Lennart and Emmenthaler. Otto was also a passenger on the wrecked train. He is convinced someone must have been behind it. As the clues pile up, it becomes clear to Markus, it might have been a carefully orchestrated assassination, which his wife ended up being a random casualty of. Anders Thomas Jensen's new comedy is a modern fable about solidarity, the randomness of the universe ... and, well, the meaning of life.
